

Giving Glasgow application form

One of Glasgow Credit Union's key social goals is to have a positive impact within the communities in which we operate. **Giving Glasgow** is a charitable programme which allows us to do so, by donating a share of our profits to worthwhile causes that enhance our communities or make lives better for vulnerable or excluded people. We welcome applications from:

- Everyone living or working within the Glasgow 'G' post code area.
- Charitable and voluntary groups based within a G postcode, where activities or events are undertaken on behalf of good or charitable causes.
