

Heart of Glasgow Award Application Form

We feel it's important to celebrate outstanding individuals who are driven to improve the lives of others and their local community. Whether through an individual act of kindness, or an ongoing commitment, these people make a positive impact, and their efforts help to improve things for us all.

We want to hear about the people that are at the heart of their community. The kind of person who thinks nothing of giving up their free time to help someone, looks out for the less fortunate, makes their area a nicer place to live, or brings a smile to others during difficult times.
